

Experiencing The Manifest Presence Of God

- ✧ Omnipresence versus Manifest Presence
 - Omnipresence Ps. 139:7-12
 - Manifest Presence Ex. 40:34-38
 - ◆ In the Bible there is a Hebrew term for the presence of God that is often translated as “glory.”
 - ◆ This term is “kabod,” & it literally means “weight.”
 - ◆ To me this is a perfect description of the Lord's manifested Spirit, because He sometimes comes upon people in such a powerful way that it actually seems heavy (though in no way over-burdening).
- ✧ Does God Play Hide & Seek
 - We Must Seek Him Jas.4:1-9
 - String Of Close Encounters Gen. 32:24-32
