

Embracing Your Destiny A Life Altering Experience

- God's Destiny changes the direction of our lives
 - It's impossible to live the same life when the Holy Spirit apprehends us. (Life Altering)
 - Let's look at some examples in the Bible when Jesus called someone, they were forever changed
 - Luke 5:10-11
 - Luke 5:27-28
 - Question: Once called are you willing to follow where He leads you? Whatever ways He tells us. Will we leave behind whatever keeps us from following His agenda for our lives? (I have/had my life planned. I'm afraid)
 - God has our lives planned Jer. 29:1-14
 - As a church for God to fulfill His plan, we all must all allow the Holy Spirit to alter/change us
 - Embracing God's destiny for our lives gives us new internal/eternal motivation
 - God equips whom He calls. Supernaturally something happens to us when we submit to the Holy Spirit calling in our lives. (The power of the Holy Spirit becomes unleashed in us)
 - When we obey the Holy Spirit has freedom to work and minister through us. When we disobey the Holy Spirit is quenched. 1Thess. 5:12-22/Eph. 4:30
 - When we say YES to the Lord we change spiritually, Our thinking/motives/goals/desires and our emotions change. UNLEASH THE Holy Spirit in our lives
 - Biblical Destiny is life changing. You can't stay the same!!!
