

# IT'S NOT ABOUT ME

## ❖ God Chooses His Vessels (The Calling)

- God chooses who, when and where to have His purposes flow
- Sometimes we may temporarily question Gods plans, (I can be unreliable). Some wonder why He doesn't just supernaturally do things. (We can also become spiritually lazy) (Operate with a perfectionist/religious Spirit)
- Daddy uses people because He is all about relationships. He can do whatever He wants, but without the relationship piece (peace) how would we know just how much He loves us
- He wants to accomplish His plan for us through intimacy with His children (Destiny begins with intimacy before it manifests into reality)
- Once we submit to His purposes for our lives, we come to know that the focus is never on us, It is always about seeing God glorified. Hence, He uses people like us (He doesn't need superstars) Never compare ourselves to others, biblically it's considered unwise/stupid/hopeless 2Cor. 10:12-18
- The Wisdom of God 1Cor.1:26-31

## ❖ God Chooses Imperfect People

- He does not call the equipped . . .He equips those that He calls! (Moses, Gideon, the Disciples, YOU & ME)
- Belief in Your God given destiny is what most often motivates us to change. When we answer the question of WHY –spiritually train, get disciple, say no to the old

me, Answer: Because I know that I have things that God is calling me to

- Some folks are not motivated to change because they don't believe that God has anything significant for them to do. **STOP BELIEVING THE LIE! God has a calling for every believer!!!** **Eph.4:1-16**
- Declaration: Quit waiting until the day that you believe you have it all together. *Are there 100 people on this call, I don't know enough of the Bible, I have done too many bad things in my life, I can't speak in front of people, I am too shy to say that, I don't feel comfortable, etc., etc., etc.,.....*
