

Understanding Your Destiny #3

➤ Biblical Destiny is For The Purpose of The Kingdom

- God's plan is always larger than we could have imagined

- God's plan in our destiny is always larger than what we see or comprehend to be fulfilled. God calls us individually, but His plans affect the masses. We simply are used as a vessel for the larger plan.
- Example: God called Moses-an entire nation was delivered. God called David and an entire nation was unified. Jesus called 12 men and the whole world was/is changed.
- God has a calling for His Church a destiny He wants fulfilled. He may have given me a calling 25-30 years (BTGM 13 years ago), that must be embraced corporately in order to see it fully manifest and become fulfilled.
- The greater plan is regionally, then expanding globally to Bridge The Gap and bring restoration to lives, marriages, other people groups, beliefs, men, women, children so that they may all come to know the Love that God has for all of us that believe on His son Jesus! To also be

channels of blessing to our communities so that He will be exalted.

- God's plans are always way beyond what we can accomplish on our own
 - If we do something on our own it is not from God. He never gives us a destiny that is easily accomplished or attainable based on wisdom and or resources. ***IT IS SUPPOSED TO BE IMPOSSIBLE!***
 - Biblically, when God called people to do things they never said, 'Oh that will be easy'!
 - The Impossible guarantees that we will rely/depend on God. ***It keeps us tethered to Him!***
 - Then when God shows up, He gets all of the credit/glory/praise, then the people of God get to experience Him in wonderful new ways. God's favor! (2:1-13) Zech. 4:1-6
 - My belief that this is where the church is today. God wants us to see the Kingdom picture/focus that He has given to us. He has done Great and Wonderful things for and to us! But, that is not our destiny as a people or as a church. We have been prepared for a GREATER WORK that is yet to come!!!

- That is why we need to trust Him in this season with the virus, with the lack of holiness in our cities, states and country. Why we need to pursue the destiny that He has set before us all to supernaturally accomplish the GREATER destiny that HE has for us all!
